

# Welcome students!

## Guidelines for Classroom Behavior

The class starts at 8 AM and ends at 1 PM

You should visit the library, the backyard and the school canteen, they are great!

Be kind and respectful to everyone, so you can make new friends.

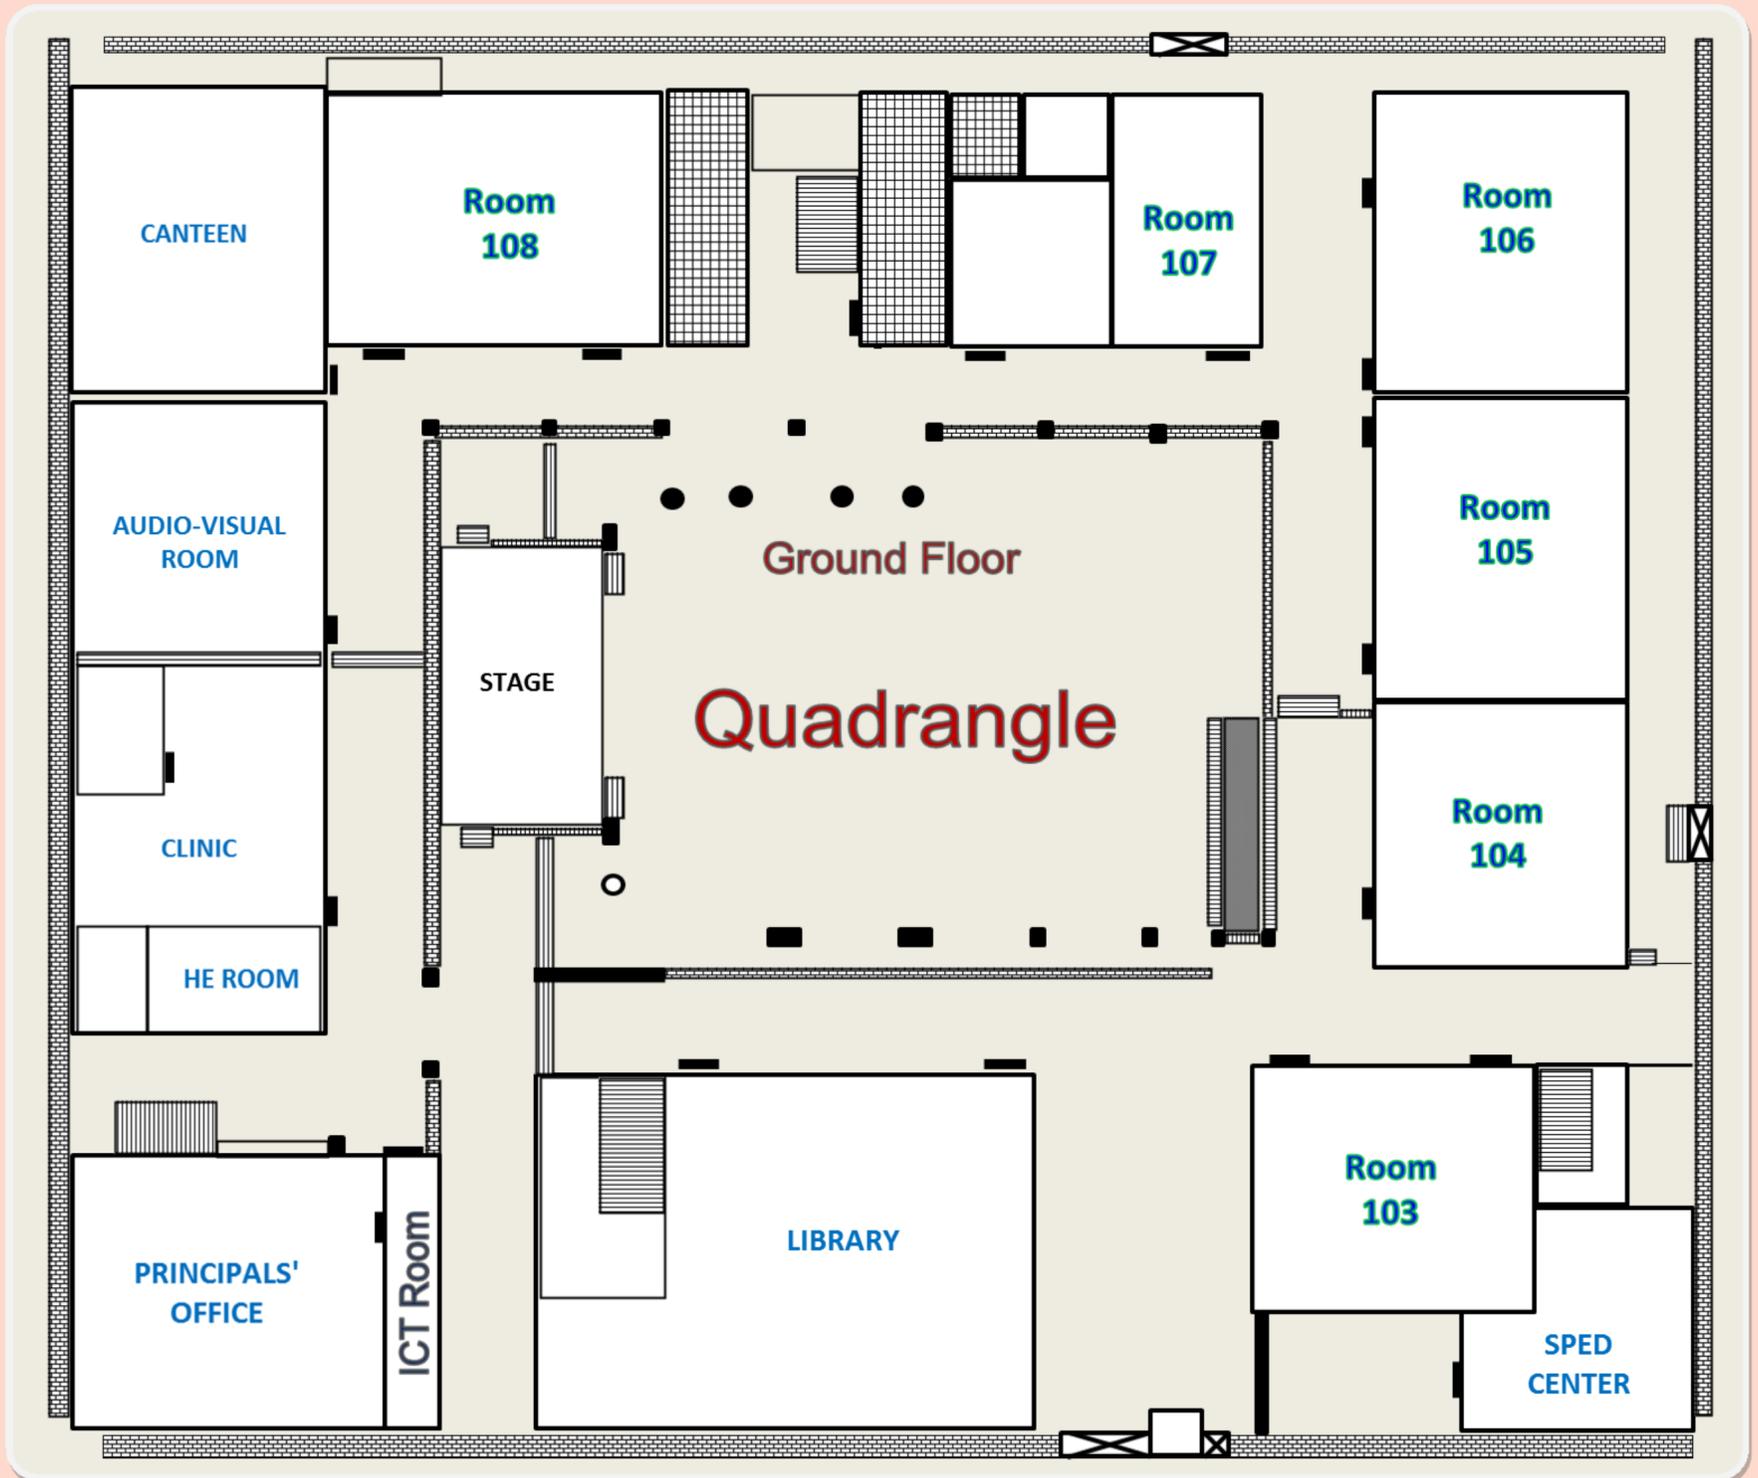

You have to meet and listen to the teacher and your preceptors.

Work hard, and do your best.

# MAP OF THE SCHOOL

**We also have extra activities after school, it's really fun and we all always laugh. You can sign up whenever you want!**
